Betty Sue Steinberg

Dear Rodney,

Thanks for making Karen and Richard's wedding so special. We were not sure how all these diverse groups would mesh, but you did a wonderful job in keeping everyone up and dancing to the very end. Thanks to you and your band we could have danced all night!!

Sincerely,
Betty Sue, Dr. Karen and Richard

Dear Rodney:

I feel it would be unkind of me not to write and express my appreciation for your marvelous contribution to the success of my daughter Julie's wedding reception and dinner last Saturday night at the Dallas Museum of Art.

I don't know what percentage to assign to you for this success but I feel it would be pretty high.

Your music was tightly and professionally played and you showed a remarkable ability to adjust to the mood of the crowd. Specifically, your rendition of the "hora" got everybody "into the act".

So, again many thanks, and don't hesitate to use my name as a reference.

Cordially,

Bernard Schnitzer, M.D.

Dear Rodney:

Many, many thanks for the wonderful music that you provided for Dana and Evan's wedding ceremony and reception. The playing of the classical pieces chosen for the prelude engendered an ambience of warmth and love which endured throughout the ceremony and culminated with the splendor of "My Treasure". The string quartet was flawless during the reception, and dinner and dancing were truly a celebration of Dana and Evan's marriage as we were all entertained by your extraordinary repertoire of songs!

Enclosed are two checks, one from Mitch and me, and another from Jack for the rehearsal dinner, in payment of your invoice. I am also returning the two demo tapes which you so kindly loaned to us.

Again, Dana, Evan, Mitch and I thank you for creating magic with your music.

Sincerely,

Linda W. Hart

Dear Rodney,

I had more fun at my reception than I could have imagined! Your fabulous, exclusive was a hit of the party. So many people came up to me and complimented my music selection. One friend even said... "leave it to you to find the best band in Dallas..." Needless to say you will be on the top of my recommendation list. I hope I have the opportunity to work with you again soon.

Sincerely,

This 12 piece band is also unique in it's ability to also play great Motown classics with the added punch of the bands terrific seven piece horn section as well as many hard driving pop tunes of the 70's, 80's, and 90's. This is the "Crown Jewel" of all bands.
